

GreenWorks Landscape Partners Announces Acquisition of Dot Palm Landscaping

Marathon, FL – January 15, 2025 – GreenWorks Landscape Partners LLC (“GreenWorks” or the “Company”) is pleased to announce the acquisition of Dot Palm Landscaping (“Dot Palm”), a leading landscape maintenance and tree care company based in Marathon, Florida.

The acquisition of Dot Palm expands GreenWorks’ growing footprint throughout the Florida Keys and strengthens the Company’s position as a premier regional provider of commercial landscape and arbor care services. Founded in 1999, Dot Palm has built a strong reputation for quality, reliability, and professionalism in serving HOAs, municipalities, resorts, and residential clients from Key West to Key Largo.

“We are thrilled to welcome Dot Palm and its talented team to the GreenWorks family,” said Ben Bortner, Chief Executive Officer of GreenWorks Landscape Partners and Managing Partner of Slack Water Capital. “Dot Palm has been a respected name in the Florida Keys landscaping and tree care industry for over two decades. Their culture of excellence and commitment to customer service align perfectly with our mission and values.”

The acquisition represents another milestone in GreenWorks’ strategy to build a best-in-class landscape services platform across South Florida through a combination of organic growth and strategic acquisitions. Dot Palm is GreenWorks third acquisition since its founding by Slack Water Capital in February 2024. GreenWorks operates multiple branches across providing landscape maintenance, installation, enhancement, irrigation, fertilization, and tree care services to commercial, municipal, and residential clients.
